

## **Boat Show International - Marina de Vilamoura**

**25th edition, 11 - 19 June 2022**

Open registration for exhibitors

Vilamoura Marina and FIL jointly organize the 25th edition of the International Boat Show at Marina de Vilamoura from the 11th to the 19th of June.

The Boat Show is a nautical exhibition that brings together all types of vessels, new and used (brokerage), as well as representatives of accessory brands, equipment, and Integrated services for boats.

This show, with exhibition areas on land and at sea, permits you to experience and test the equipment in a practical and comfortable manner. Visitors receive a personalized welcome to a natural environment that reflects a lifestyle.

Vilamoura Marina offers a vast array of services and has one of the best equipped shipyards in the country, CIMAV – Clube Internacional da Marina de Vilamoura, a top-level competition training center.

Gathering in a privileged location, the main operators of the sector and assembling the best conditions to organize a boating exhibition on the water similar to the best practices featured in the leading international markets.

This type of exhibition permits immediate contact and testing of the equipment in a practical and comfortable manner avoiding the delay between its exhibition presentation and the water test.

It also allows for a better welcome and personalized treatment of visitors and the reception of customers in a more attractive and engaging environment in the spirit of nautical culture.

There will be two successful side events, on June 11<sup>th</sup>, namely the 2nd edition of the Vilamoura Boat Show Golf Trophy and the 2nd Edition of the Marina De Vilamoura Boat Show Regatta 2021.

The Visitors of the Boat Show are buyers, investors, business Partners, enthusiasts of the featured areas, regulatory entities of the Sector, media and the public in general. Besides, the registration for exhibitors is already open, would you please find further information at <https://vilamouraboatshow.fil.pt/>
